

## WHY SUPPORT US?

- While a typical wounded Soldier's medical care is taken care of by the government, often there are gigantic hidden costs or gaps in care not covered by the military or any government program.
- By joining our effort, you will help provide much needed revenue for a select group of excellent charities, which effectively help fill these gaps in care.

## OUR MISSION

*Bogies for the Brave* is an all volunteer, self funded, nonprofit, 501(c)(3) charity dedicated to providing financial assistance to critically injured post 9/11 military personnel, their families and the survivors of our fallen heroes.

## OUR SLOGAN

***"Honoring Service / Saluting Sacrifice"***

"...everybody can do something. Every American. Every business. Every profession. Every school. Every community. Every state. All of us, as one American team. That's how we will truly honor our veterans. That's how we will truly say thank you. That's how we will uphold the sacred trust with all who've served in our name."

*President Obama*
