In 2007 Billy's Legacy Foundation a 501(c)(3) was established as a celebration to Billy's; our son, brother, who lost his life at age 17. At what would have been Billy's graduation, we noticed there were many scholarships for academic, scholastic, athletic, etc., but none for those kids that have had to struggle with adversities and needed support. Billy's Legacy was created for that purpose!

The goal of Billy's Legacy Foundation is to provide scholarships and grants to youth who have or who are facing adversity and need financial assistance.

Please help make a difference in a young person's life. You can sponsor now [www.BillysLegacy.org](http://www.BillysLegacy.org)  
We appreciate your support and genuinely thank you in advance for your generosity.

Sincerely,

Debbie & Bill (Billy's Parents), Kelly (Billy's Sister) & Committee members
